

Convex Ledbox

Single faced convex boxes are available in various sizes. Access to posters is by snap frame profiles on each long side. The surface is opal acrylic. The snap has a 1" profile. Convex Lightbox includes a PET cover which is ideal to illuminate your duratrans & posters without shining. Best to be with printings on backlit film or duratrans.

 All units pass CE/UL PAT test and are supplied with their quality certificates. Comes along with 98.43" electrical cable. UK and EU plugs should be mentioned on order.

 Illumination save up to 60% energy cost with an increased life expectancy.

 Product is wall mounting, no further hanging accessories are included in the original pack.
