

Crown Truss

See movie at our website www.mtdisplays.com.tr

new

A modular truss system with unlimited possibilities. Made in strong and durable materials - aluminium, steel and composite. At the same time it is a lightweight and foldable truss construction.

The perfect function and unique design allow the creation of custom expressions fitted to your individual needs. Very easy to assemble, disassemble, pack and carry. Available as standard models as well as parts.

3D design allows creating your own stands: www.crown3d.net

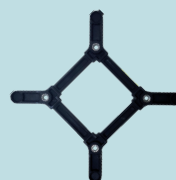

Design software is available on internet. Please ask for login details.

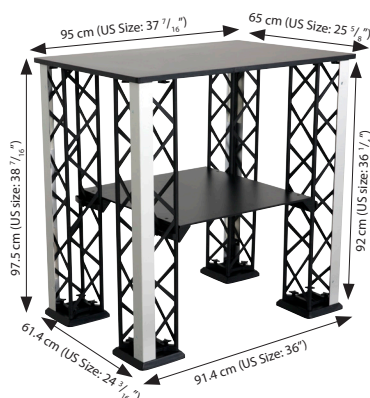

3 promotion packs are available; Sample Kit, Trolley Kit and Showroom Kits.

Technical data sheet available on request.

Build your own display in 3D!
