

Petit Promostand

Petit Promostand is an outstanding counter for exhibition products demos and sample distribution. It is portable, lightweight and has white plastic material. Easy to assemble with no tools required. Front panel & top header offer space for poster printing and decoration. Designed as a foldable mobile unit, it quickly fits in the corner of a car.

Product is packed unassembled with an easy-to-understand instruction sheet.

After the front panel is assembled due to fitting of panels inside the plastic construction, the visual area is 1.50" smaller on top & bottom ends. Thickness of front panel is 0.10". Thickness of counter & shelves is 0.10". No tool assembly.

Midsize Convex Counter

Midsize Convex Table is developed as a low-cost carry-away counter for temporary events and mobile needs. It's an ideal light desk that can be re-used many times and quick to install. Midsize Convex counters can be used as demo stations or product displays.

 After the panels are assembled, due to the fitting of panels inside the construction, the visual area is 0,5 cm smaller on all sides.

 Please first fix the shelf and then the top plate. Black textile carry bag is optional.
