

Smart Roll Banners (Single Sided)

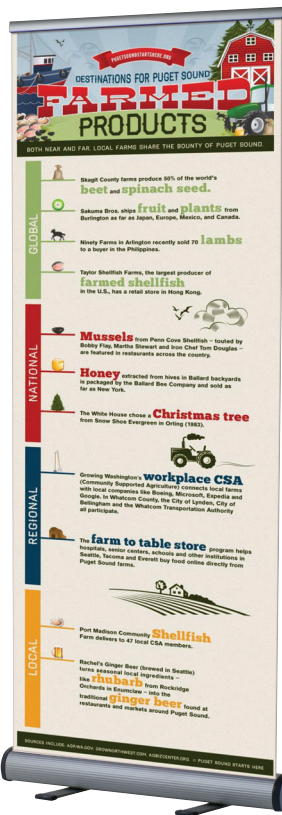

See movie at our website www.mtdisplays.com.tr

With the latest revision on Smart Roll Banner, M&T concentrated on both design and functionality features. Pipe fixation and improved end caps provide a more stable product and the new revised design gives a more elegant look to the product. The aluminum body is silver anodized stands at min 39.37", max 90.55" height and has a unique telescopic pipe.

- Product comes ready to roll-up into black carry bag.
- Has unique adjustable telescopic pipe.
- Please do not loosen the mechanism when the printing is assembled on the top position.

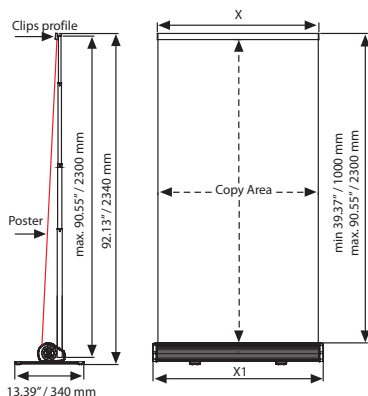

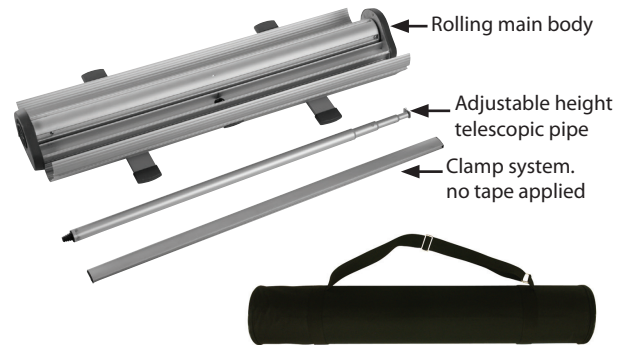

Improved design

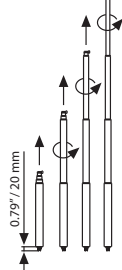

Stable pipe fixation
