Waterbase Wind Sign

See movie at our website www.mtdisplays.com.tr

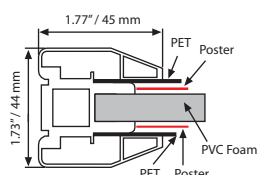

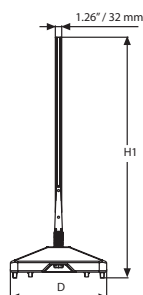

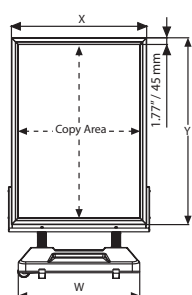

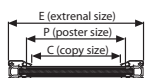

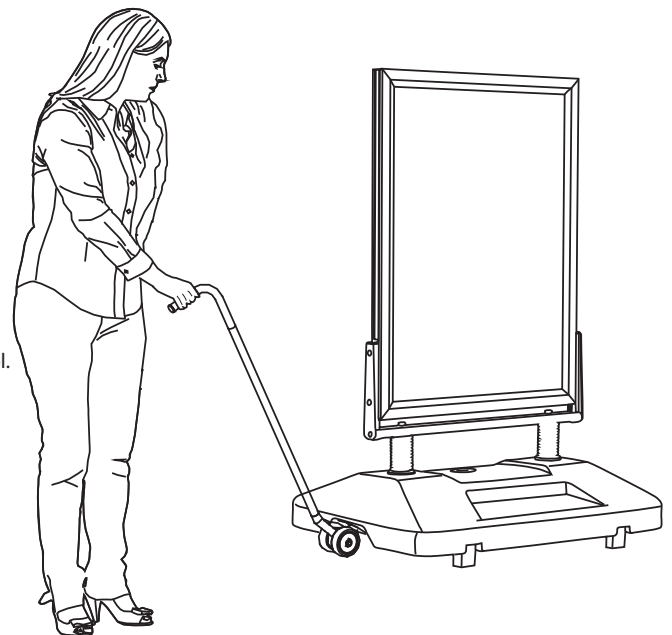

Various sizes are available all with mitred corners. After the closure of the side profiles, the rubber seal inside the wind sign in addition with over size PET makes the product waterproof. The easy-to-open snap frame includes an anti-reflex cover suitable for external use when equipped with a water wick. Product is double sided. The steel springs provide the flexibility to ensure stability. The wheels enable the movement of the units.

The product is packed unassembled. Water base of A2, A1, 500x700 mm 20 kg. Water base of A0, 700x1000 mm 33 kg. Each base is supplied with industrial salt to prevent freezing in winter conditions. Each product comes unassembled with easy-to-understand instruction sheet & fixing set.

Base standard in metallic grey color. Other colors are available upon request. Suitable for windy & rainy conditions, protects the poster within. Ground wheels in upside position facilitate movement of the product.
