

HYGIENIC FACE SHIELD FOR YOUTH

We care about our Future Generations, for that reason we created a brand new design for our children. The Hygienic Face Shield for our younger generation will protect them and help prevent spread of viruses and other infections.

Features:

- Anti-fog transparent PET. Thickness: ~0.01"
- Size: 11.02" x 7.48". Coverage from top of the eyebrow to under mouth the chin area.
- Rotates up to 180 degrees. Swings up and down the face, adjustable position over the head.
- Pink color for ladies and blue for boys and men
- OEM service with custom printing and custom color available, please contact us. Make your mask unique to your company.
- The Face Shield provides full facial protection (nose, mouth, eyes) with a crystal clear optical view.
- Fits youth and adults, good for family use.

Application:

- Double plastic band provides enough room for eye glasses, safety goggles and N95 masks.
- Vantilation distance across the two plastic bands for increased air flow and comfort. Easy to move and change the front shield.
- Replacable transparent face shield front, fixed at 4 points add strength and reliability.
- Available with adjustable elasticated headband with knobs to fit the head size and angle, has 5 steps of adjustment on both sides.
- Lightweight and comfortable to wear, quick and easy to put on and off, up and down.
- Excellent protection against potential contamination from blood pathogens, body fluids, or harmful chemical splash.
