

## BUDGET CLEAR HYGIENE BARRIER

- Budget Clear Hygiene Barrier creates a physical barrier between customers and workers in the same environment such as POS checkouts, cash registers, tables or desks. It helps protecting against unwanted contamination from airborne viruses as well as bacteria and germs that can be caused by coughing or sneezing.
- It is good for takeout counters, pharmacies, grocery stores, offices and banks.
- It is made of sturdy aluminum frame and transparent clear 0.04" Plastech PET to provide clear view on both sides of the barrier.
- Budget Clear Hygiene Barriers can be placed next to other to create a clear wall.
- High stability and lightweight for convenient mobility.
- Simple to clean. Use a soft cloth and soapy water only. Do not use scouring compounds or chemical glass cleaners as they may harm surface.
- Budget Clear Hygiene Barrier is 100% Made in Turkey by M&T Displays.
- In 2 heights; 39.37" and 47.24", Budget Clear Hygiene Barriers is available in 6 standard sizes. Please ask for custom sizes.
- Delivered feet unassembled to save from transport

### Key Features

- Allows sectioning of rooms without obstructing the view.
- Made of durable clear PET.
- One panel.
- 2 and more panels can be put together to create wider separator.
- Fixing kit for wood surfaces is included. Please ask for other surface fixing.
